Mr. T. S. Harrington was born in [?] 1852 in West Allihies, County Cork, Ireland. He lived there [until?] seven years of age, when he came to the United States. After landing in New York the family came to Detroit, Michigan. From Detroit they went to Hancock, Michigan - later settling in Marquette. This was a great copper country and most of the inhabitants were engaged in the mining industry. The family later moved to Hurley, Wisconsin, and then to Madison where they now reside.
